FULLY FEATURED FOR GREAT COOKING

With a choice of different cooking functios including Air Fry this oven has enough options to satisfy the most demanding home chef.

ELECTRONIC PROGRAMMER

A digital clock that also can be used to set the time for the oven to switch on and switch off. Designed to be easy to program without referring to the manual each time.

AIR FRYER FEATURE

Includes an Air Fryer basket and Air Fryer function selection. Cooks anything that normally requires turning such as chips, chicken wings, sausages or crumbed fish fillets. Excellent for dehydrating foods.

TRIPLE GLASS DOOR

Triple Glass ventilated door keeps surface temperatures down. Much more comfortable and safer for the user. The large window provides a clear view of the cooking process.

EMF69E

60cm Stainless Steel 9 Function Electric Oven

INSTALLATION NOTES

Overall dimensions

This model oven uses the conventional dimensions of the majority of 60cm built in ovens making it an ideal oven to use for replacement purposes. In most cases the oven will fit into existing cupboard spaces without need for modification to the kitchen.

Electrical Connection

The oven has a 1.2M cord. This oven isr fitted with a 15amp plug. The oven should be installed with a unique circuit with the appropriate amps, not sharing the connection with other appliances. It is an important requirement.

3 Year Warranty

A full nationwide 3 Year Warranty applies.

Proof of purchase and proof of correct installation by a licensed installer is required for warranty service.

Call Glem Gas Australasia on 1 300 307 917 for details or send an email to info@glemgas.com.au and we will respond promptly.
