

EMRENT65E

60cm Stainless Steel Electric Fan Forced Oven

A ROBUST, EASY TO USE OVEN

Intuitive, easy to understand controls. This is a great oven for group houses and rental properties. This oven is fit for purpose, great performance without a lot of fuss

5 COOKING FUNCTIONS

Equipped with efficient fan forced cooking, closed door grilling with or without fan assistance, defrost and an oven light to illuminate the cooking.

10 AMP PLUG IN CONNECTION

This oven plugs in like a toaster. So much easier to install, replace or service. There is no compromise in performance and energy costs remain lower with less electricity being consumed.

TRIPLE GLASS DOOR

Triple Glass ventilated door keeps surface temperatures down. Much more comfortable and safer for the user. The large window provides a clear view of the cooking process.

WARRANTY	
3 Years Parts and Labour	In home service
BAR CODE	
0793618352479	

EMRENT65E

60cm Stainless Steel Electric Fan Forced Oven

INSTALLATION NOTES

Overall dimensions

This model oven uses the conventional dimensions of the majority of 60cm built in ovens making it an ideal oven to use for replacement purposes. In most cases the oven will fit into existing cupboard spaces without need for modification to the kitchen.

Electrical Connection

The oven has a 1.2M cord with a 10 amp plug fitted. This is a simple plug in connection. The oven should be installed with a unique circuit, not sharing the connection with other appliances. It is an important requirement.

3 Year Warranty

A full nationwide 3 Year Warranty applies.

Proof of purchase and proof of correct installation by a licensed installer is required for warranty service.

Call Glem Gas Australasia on 1 300 307 917 for details or send an email to info@glemgas.com.au and we will respond promptly.
