

60cm Stainless Steel Electronic Dishwasher

Model EDW65SS

EDW65SS features

12 Place Settings - easier to load, more space between dishes for a great clean and less weight on the shelves.

Full stainless steel inner liner - the all stainless steel inner liner allows a cleaner and more reliable wash and a cleaner and more reliable dishwasher.

Large dish capacity - you can wash big 305mm diameter plates and 230mm tall stem glasses together in the same load. Makes loading so much easier and safer for your dishes.

Delay start feature - Pick the time you want the dishwasher to run. Take advantage of off peak electricity.

Child lock - locks the dishwasher securely closed

Rinse aid indicator - lets the user know when to refill the rinse aid compartment for dry dishes.

Height adjustable upper basket flexibility

Half Load Function - Only have the dishwasher half full? Save energy by using the half load function.

5 Wash Programs

Intensive 60 degree wash temperature

For heaviest soiled crockery, such as pots, pans, casserole dishes and dishes that have been sitting with dried food on them for some time.

Heavy 55 degree wash temperature

For heavily soiled loads, such as pots, plates, glasses and lightly soiled pans.

ECO 50 degree wash temperature

NORMAL for normally soiled loads, such as pots, plates, glasses and lightly soiled pans, standard everyday cycle.

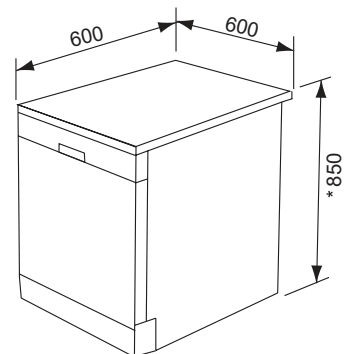

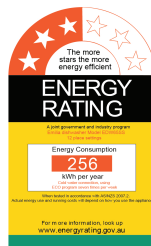

90 minute 65 degree wash temperature

For lightly soiled plates and pans that need a quick wash. This is our favourite program and will wash most loads.

Rapid 40 degree wash temperature

A shorter wash for lightly soiled loads that don't need drying

2 YEAR WARRANTY

*The top can be removed to provide an additional 30mm height clearance
