“ Imagine ovens that have been tested to withstand brutal conditions and neglect. Ovens that are ideal for rental investments.

EMRENT65E oven functions

EMRENT65E Value with style

ROBUST, EASY TO USE OVEN

Intuitive easy to understand controls. This is a great oven for group houses and investment properties. This oven is fit for purpose, great performance without a lot of fuss.

5 COOKING FUNCTIONS

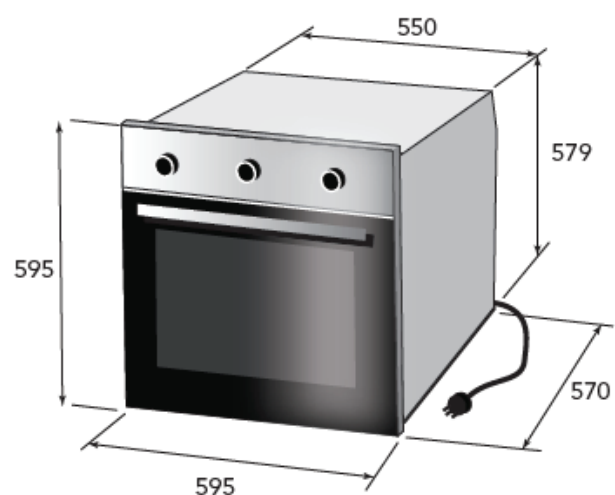

Precise and efficient fan forced cooking, closed door grilling with and without fan assistance, a defrost function and a halogen oven light to illuminate the cooking. In addition there is a convenient minute minder that can be set to sound at the end of the cooking time.

10 AMP PLUG IN CONNECTION

This oven plugs in like a toaster. So much easier to install, replace or service. There is no compromise in performance and energy costs remain lower with less electricity being consumed.

TRIPLE GLASS DOOR

All Emilia Metro Series ovens have a triple glass ventilated door that keeps surfaces cool. Much more comfortable for the user and the large window provides a clear view of the cooking process.

67 litre oven capacity

Includes:

2 oven shelves, Grill tray, Grill rack insert, Installation fittings, Instruction manual
Air Fryer basket - Model EMF69E

High performance. Long durability. Great Style.
