

CK90CTF 90cm Wall-mounted Rangehood

Matt Black - Square profile

NEW TECHNOLOGY

Motion control for clean operation even with hands covered in flour or cooking ingredients.

Motion speed control

Operate the rangehood with the wave of the hand. No need to touch the controls.

Toughened Glass Control Panel

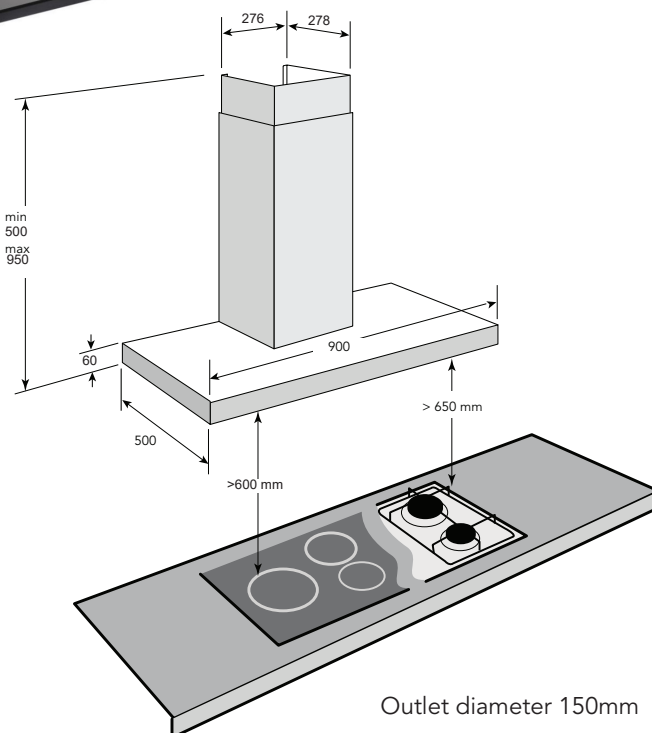

Perfectly flat and durable glass control panel with back lit touch controls.

Efficient LED Strip light

Colour corrected to illuminate cooking without colour distortion.

Perimeter extraction - air is drawn around the perimeter of the rangehood through two hidden mesh filters providing full extraction over the whole cooking area.

Powerful extraction - three speed touch control fan with a powerful 800 cubic metres per hour extraction rate.
